Presentation overview

- Coordinated Access Background
- Prioritization Policy
- Prioritization Criteria and Housing Outcome Goals
- 2023 Coordinated Access Housing Outcomes

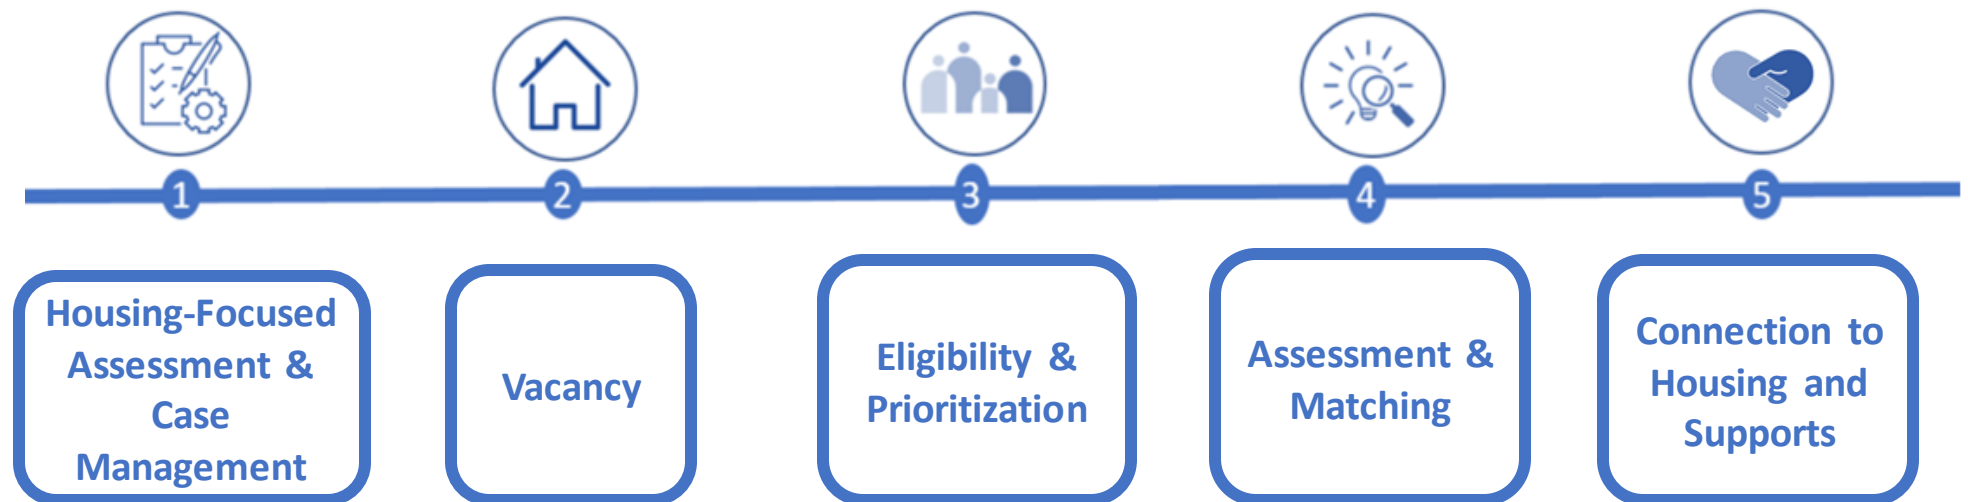

Coordinated Access

PATHS Supportive Housing

- Affordable supportive housing units
- Ongoing supports provided on-site or through partnerships

Rapid Rehousing Initiative (RRHI)

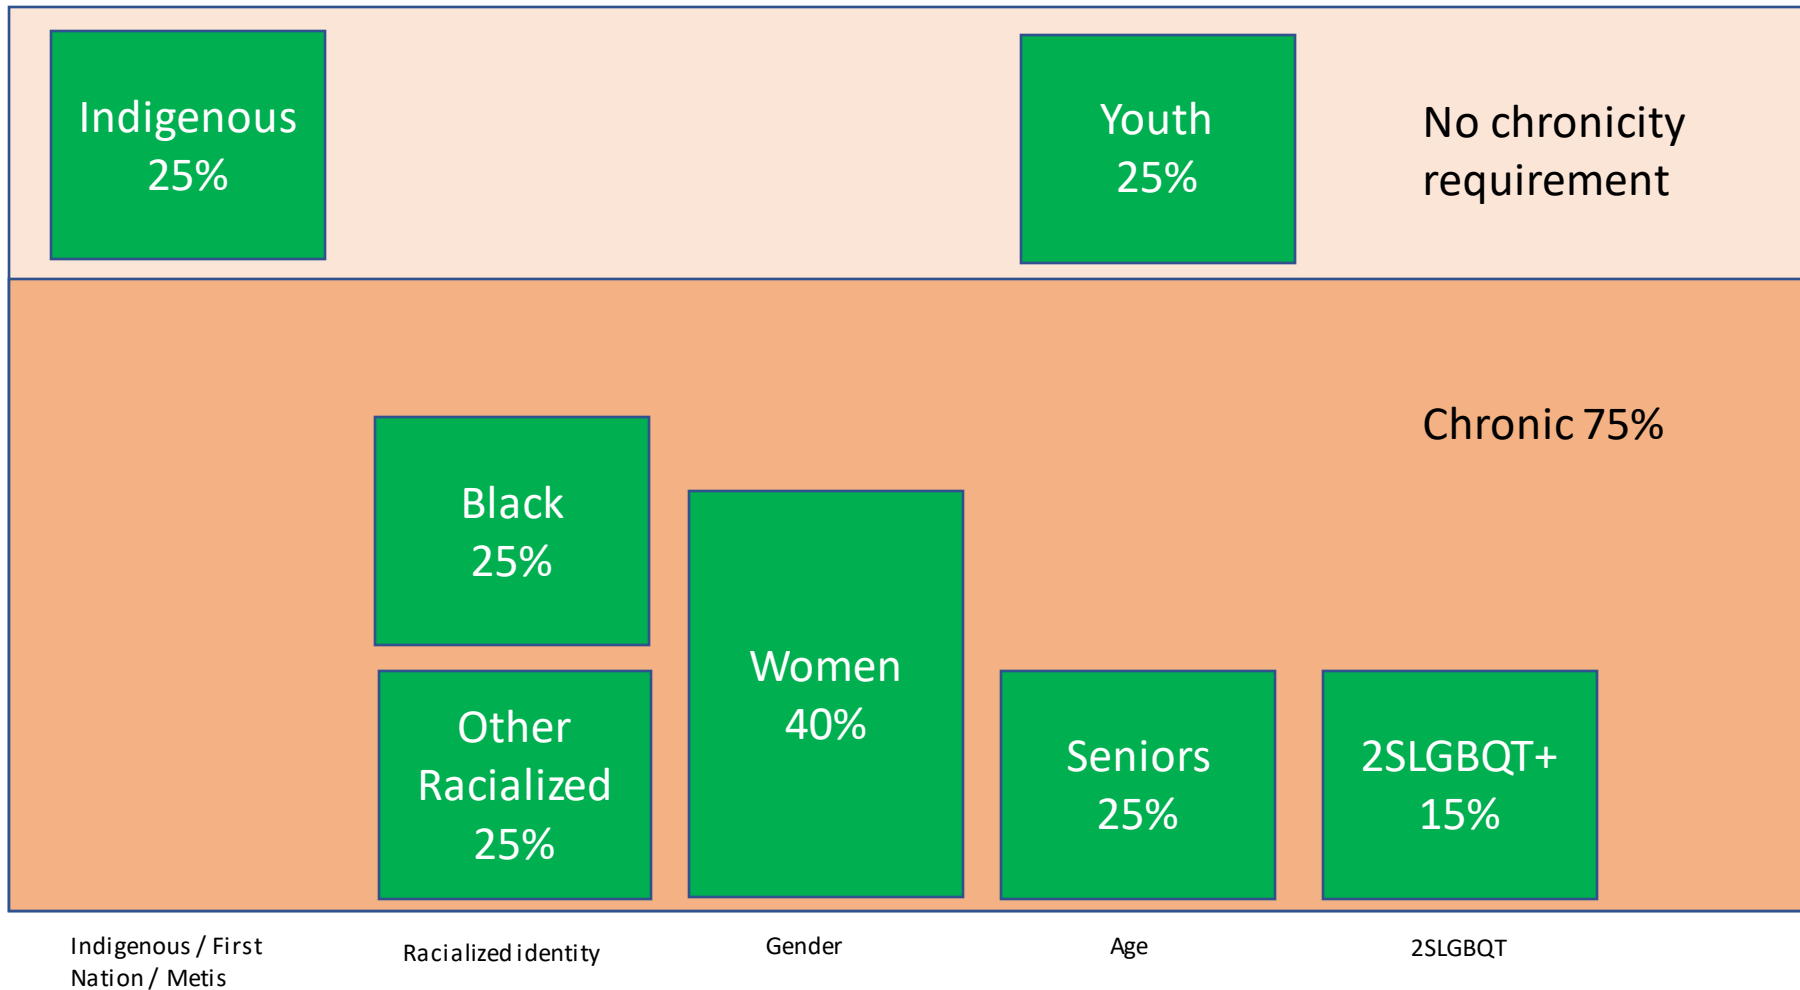

- Rent-geared-to-income, furnished units in Toronto Community Housing (TCH) or Toronto Seniors Housing (TSH)
- Follow-Up Supports for approximately 12 months

Prioritization Policy

- Applies to City-funded housing opportunities matched through PATHS and RRHI
- Developed collaboratively with CABs, TSSS CABR and other sector partners.
- Reviewed Annually; Approved by CABs and TSSS
- Prioritizes populations overrepresented in homelessness
- The current prioritization policy takes an intersectional, equity-based approach that aligns with the [Homelessness Solutions Service Plan](#), the findings from the [2021 Street Needs Assessment](#), and the [HousingTO 2020-2030 Action Plan](#), as well as learnings and best practices from other communities.
- Sets equitable housing outcome goals for CA - PATHS and RRHI
- First iteration approved in 2022 and operationalized in 2023
- Data gathered through SMIS and CheckMarket EVF are used to implement and monitor the Prioritization Policy
